How to Access the App

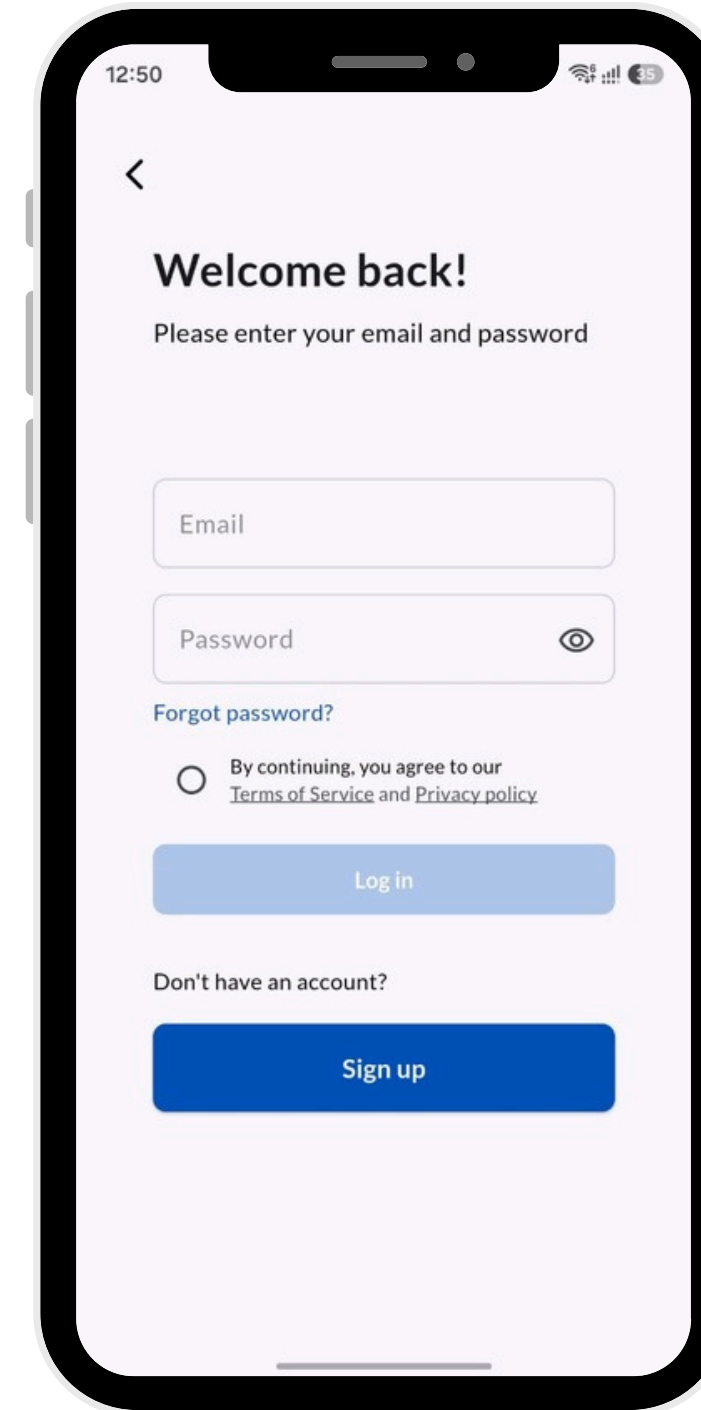

Allow notifications

Click on *Event Name*

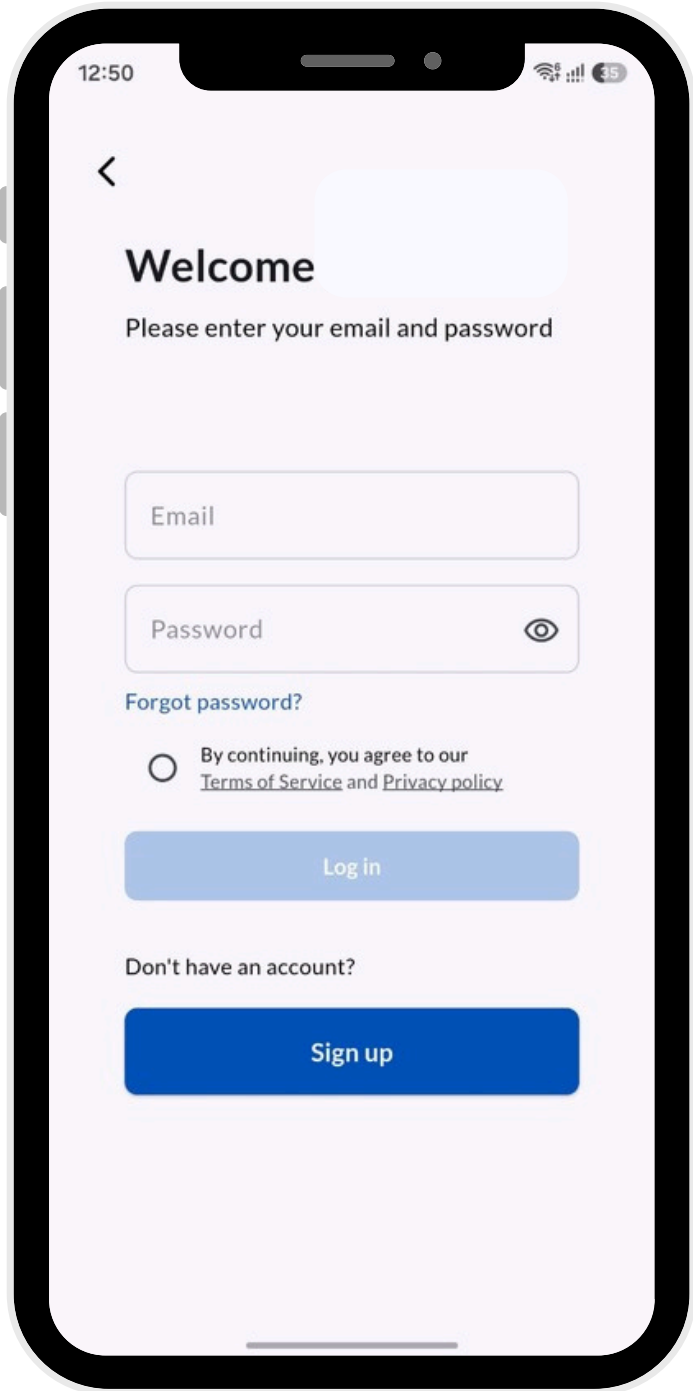

Login OR Sign-up

Login vs Sign-up

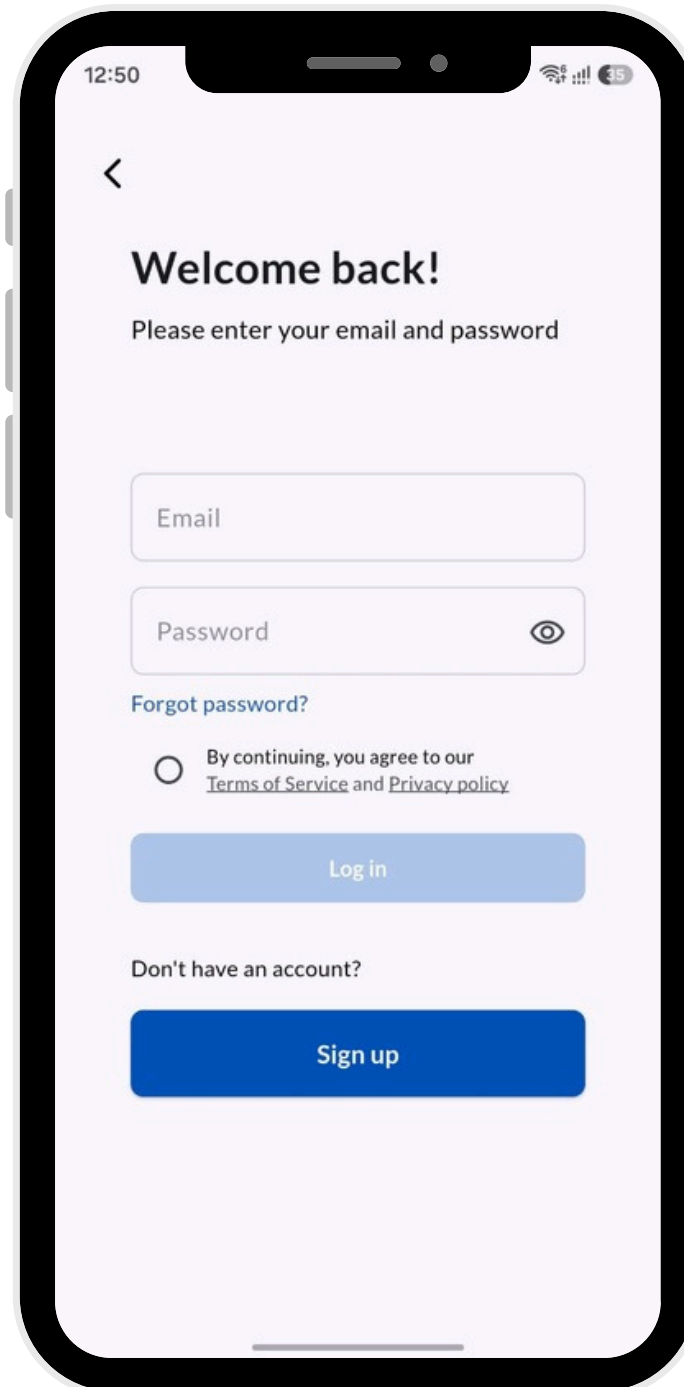

Sign-up: Create a new account to access the app and its features.
Login: Access your existing account using your registered email address and password.

Login	Sign-up
Access an existing account	Create a new account
Returning users	New users
Requires email, password and registration questions (if applicable)	Details such as name, email, password and other registration fields (if applicable)
Quick authentication	Initial account creation and setup
User gains access to existing profile, preferences and data	User account is created and can then log in
Every time a user returns to the app	Once per user
